Book Synopsis

Daisy Kray, a fierce professional stock car driver, is no stranger to high-speed danger. But when her racing teammate is attacked and a deadly sabotage at the Tennessee 400 puts her in jeopardy, Daisy is forced to confront a new kind of threat. A vengeful former driver, consumed by obsession, is targeting her and those she loves, pushing her to the edge in ways she never imagined.

As Daisy fights to return to the track, she's thrown off-course by Jackson Wyatt, her on-again, off-again boyfriend who happens to be her biggest rival on the racing circuit. Their passion has always burned hot, both on and off the track, but their complex relationship is full of unresolved tension. Now, as the stakes climb higher and the risk of losing everything intensifies, Daisy and Jackson must confront not only their fierce competition but also the emotional pull that neither can ignore.

As the threat against her looms, Daisy must race against time to face the malicious force that's chasing her and decide if her love for Jackson can survive the ultimate test. With everything on the line, Daisy must navigate a treacherous road where the only thing more intense than the race is the passion between her and Jackson Wyatt.

Under Caution is a high-octane suspense romance filled with love, rivalry, and the exhilarating drive to survive.

Author Bio

Lori Zoss is the author of the highly anticipated debut suspense romance novel *Under Caution*. A passionate entrepreneur, speaker, and sports fan, Lori brings her unique perspective to her writing, blending thrilling suspense with powerful emotional connections.

In addition to *Under Caution*, Lori has authored *The Boardroom Playbook*, a guide to corporate sponsorship for purpose-driven organizations, and *A Bed for Fred*, a children's book.

Lori resides in Cleveland, OH with her husband and their beloved dogs. When she's not writing, you'll find her cheering for her favorite teams or mentoring others to connect with their passions.

Under Caution marks the beginning of her journey as a novelist, where she combines her love for action packed storytelling with her commitment to creating characters that allow readers to temporarily retreat from the real world for a thrilling page turning journey.

Reviews

"Even though I typically don't choose mystery thriller books, I enjoyed this one as it kept me on edge throughout. Daisy, a strong bright young experienced race car driver, underwent extreme challenges from her competitors, as she experienced everything from love, fear, and betrayal which almost cost her life. But she courageously stood up to the challenge."

- Cindy, Amazon Review

"I was not able to put this book down. A great read that kept me enthralled with every turn of the page. Hoping for more from this author. You do not want to miss this book!"

- Kim, Amazon Review

"A well-written and taut revenge thriller set in the car racing world. Daisy is a powerful and appealing main character. Jackson is strong and solid, but not perfect. Lumen is a classic villain, using the very latest technology. There is also a believable love story, which adds some depth. An enjoyable, satisfying read."

- Amazon Customer, Amazon Review

"This high-octane romantic thriller delivers on its promise of suspense and mystery. The dynamic between Daisy, Kray, and Jackson Wyatt, is captivating. It adds a compelling emotional layer to the thrilling, racing backdrop. I liked how the author navigated Daisy's journey through danger as well as personal challenges. And the blend of high-stakes action and a passionate and complex relationship makes this book an engaging story that will appeal to anyone looking for an exhilarating read."

- SWAT, Amazon Review

"The mix of racing, danger, and romance totally pulled me in. Daisy felt so real to me strong but vulnerable, and her connection with Jackson had just the right mix of fire and tenderness. I especially loved how the action never let up but still left space for emotion. It's one of those books that made me feel like I was right there, holding my breath at every turn."

- Aira, Amazon Review
